

# TEENAGE MUTANT NINJA TURTLES

Kids,  
follow these  
simple blueprints,  
it's easy!

### Assembly

- Plug tongue seat/engine to Needlenose as shown.
- Plug bug shield and gatlin' gun to control handles as shown.
- Plug two (2) side pipes to engine as shown.
- Plug two (2) wings to sides of Needlenose as shown.
- Plug two (2) detachable missiles to legs as shown.
- Place labels 1-9 as shown.

### Directions

- For mutant flying fun: Place figure on tongue seat and secure with safety belt.
- Place mega machine gun in Needlenose's hand as shown.
- For added manpower when battling Killer Bee, hang two additional figures from handleholds on sides of engine.
