

TEENAGE MUTANT NINJA TURTLES

Kids,
follow these
simple blueprints,
it's easy!

Assembly

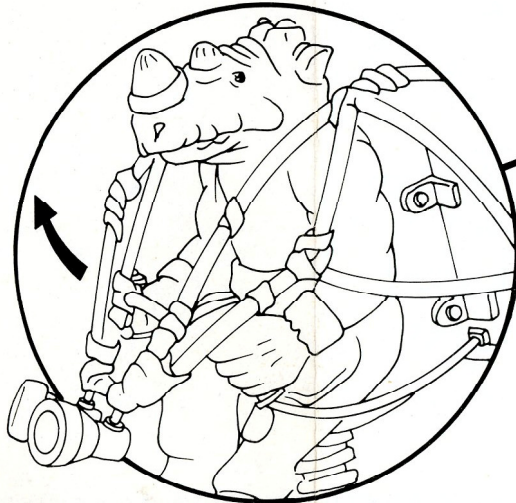

- Plug side-by-side rapid hot lead dispensers (2) to each side of Pogocopter body (top portion) as shown.
- Snap detachable mush-makin' missiles (2) to each side of Pogocopter body (bottom portion) as shown.
- Place labels 1-13 as indicated.

Directions

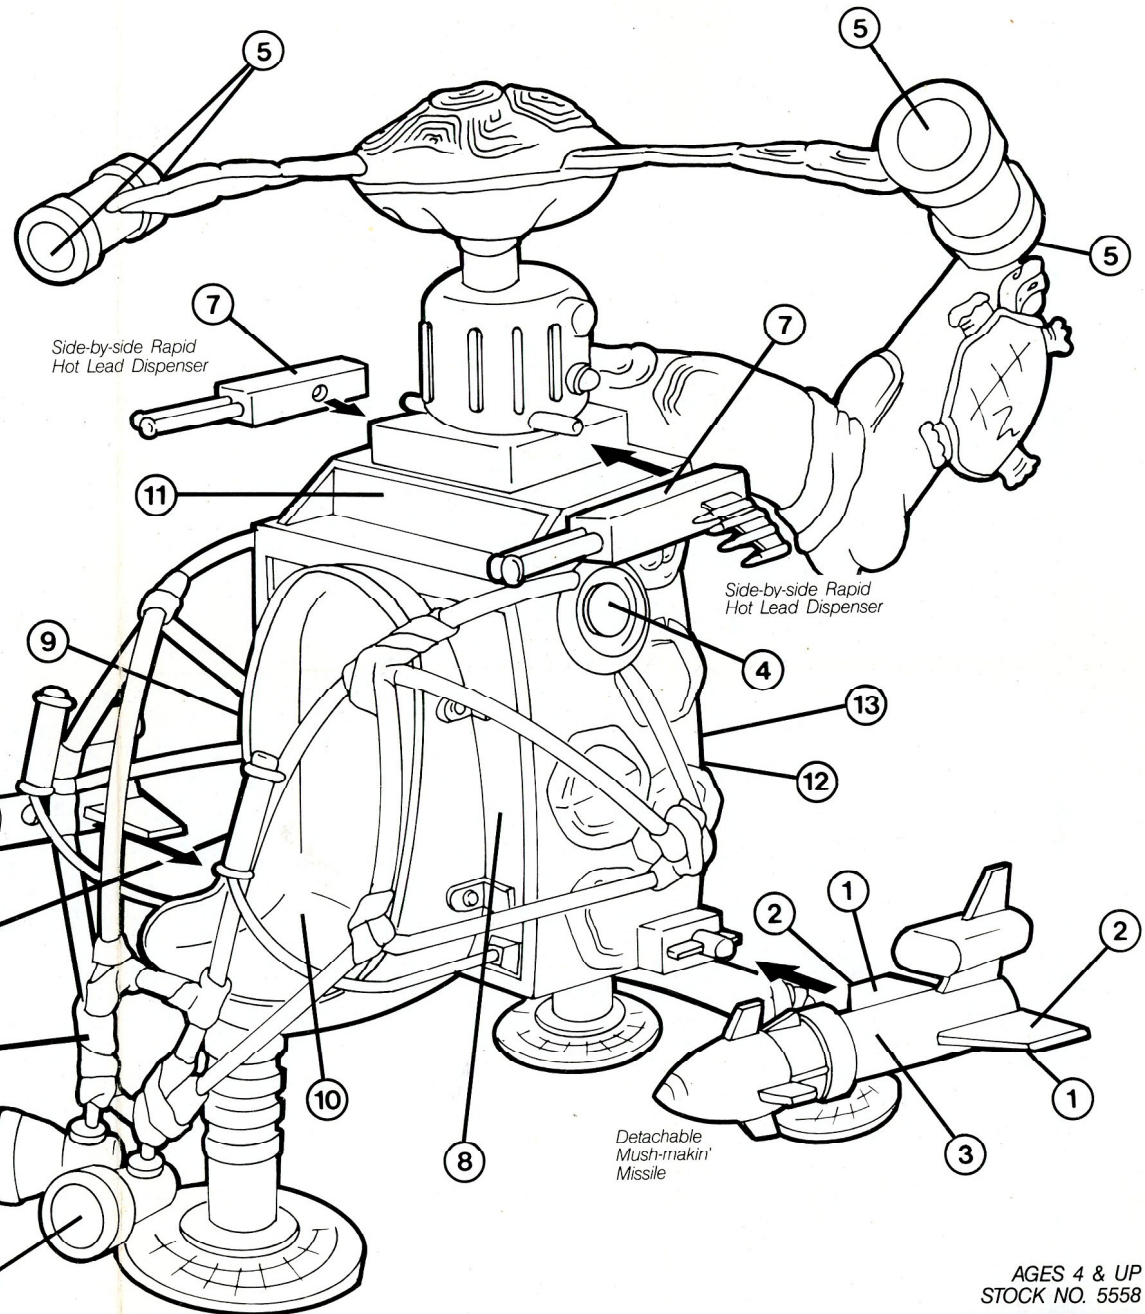

To hop, skip and jump into battle with the pesty Pogocopter:

- Lift the hinged canopy cockpit (see diagram A) and place Rocksteady or another Foot Clan member into the pilot's chair and close.
- Now you control the skies with this hoppin', choppin', hoverin' helicopter.
