

TEENAGE MUTANT NINJA TURTLES®

Kids,
follow these
simple blueprints,
it's easy!

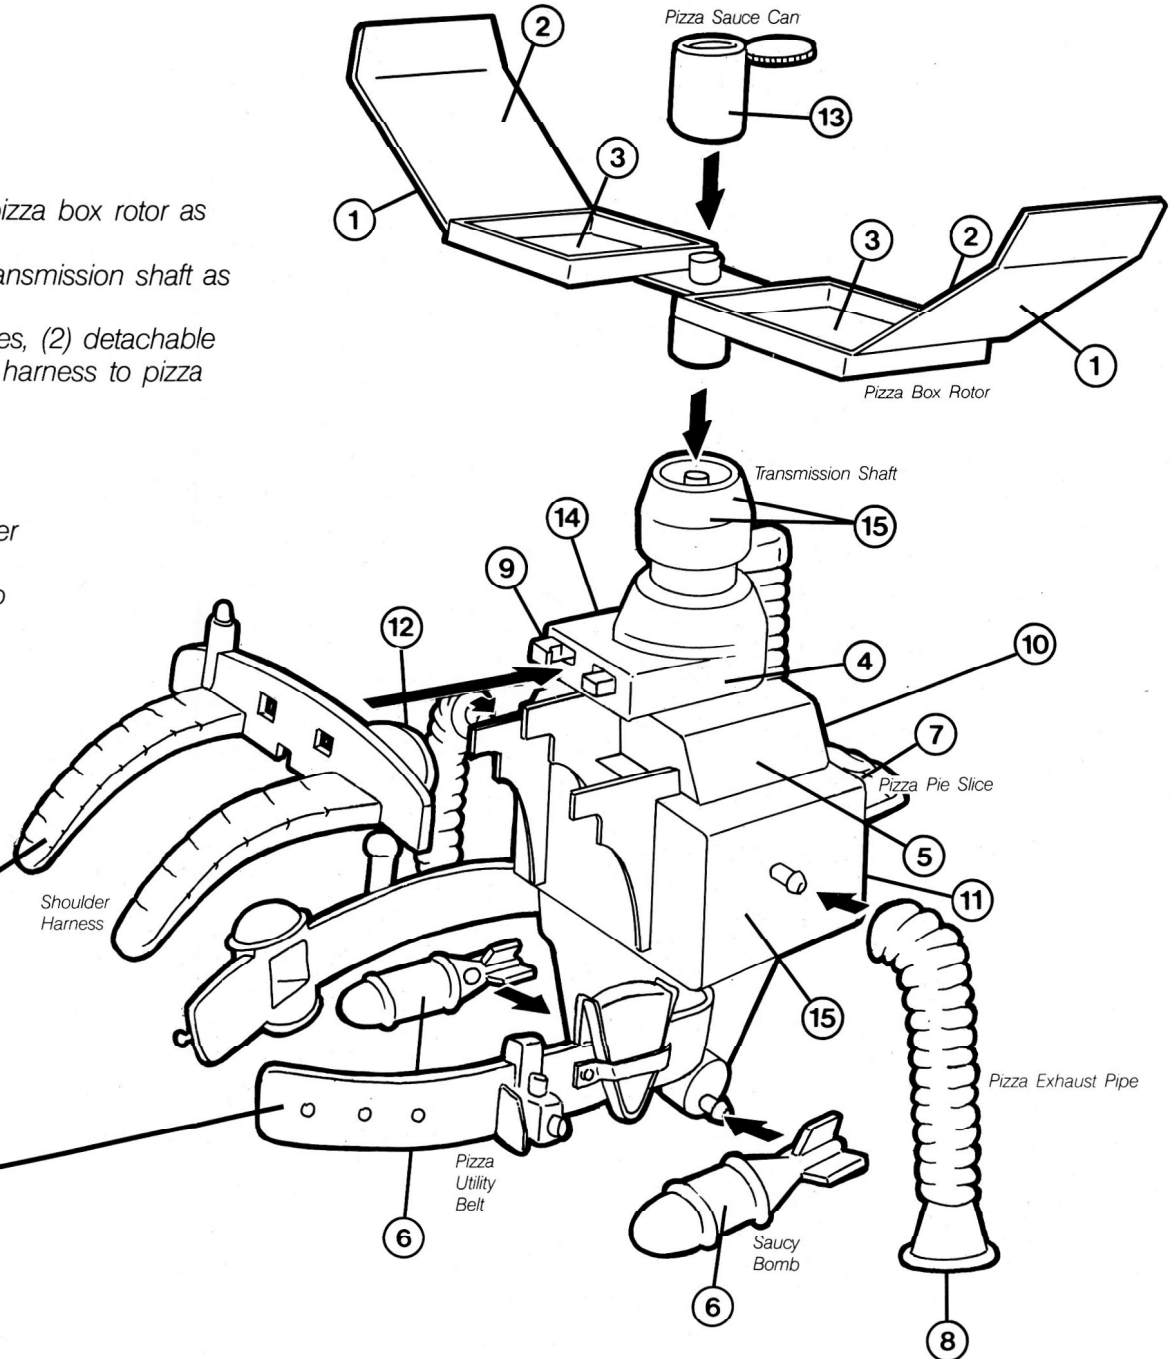

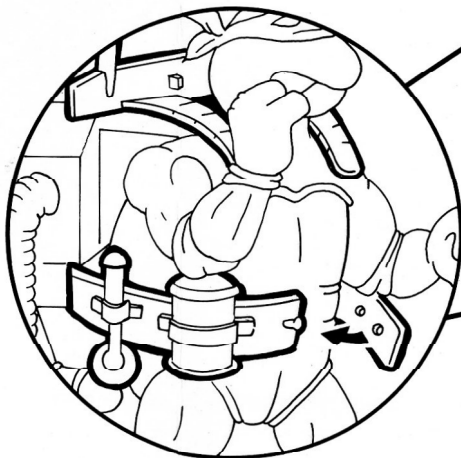

Assembly

- Plug pizza sauce can into pizza box rotor as shown.
- Snap pizza box rotor into transmission shaft as shown.
- Attach (2) pizza exhaust pipes, (2) detachable saucy bombs and shoulder harness to pizza copter body as shown.
- Place labels 1-15 as shown.

Directions

- For pizza delivery fun: Strap Mike's Pizza Copter Backpack onto the back of your favorite Turtle Figure (some TMNT figures may require you to remove the backpack shoulder harness).
- Strap pizza utility belt around waist of Figure.
- While holding the pizza box rotors, push the pizza pie slice into the pizza oven repeatedly. Release pizza box rotor and simulated pizza flight fun is yours!
