

TEENAGE MUTANT NINJA TURTLES

Kids,
follow these
simple blueprints,
it's easy!

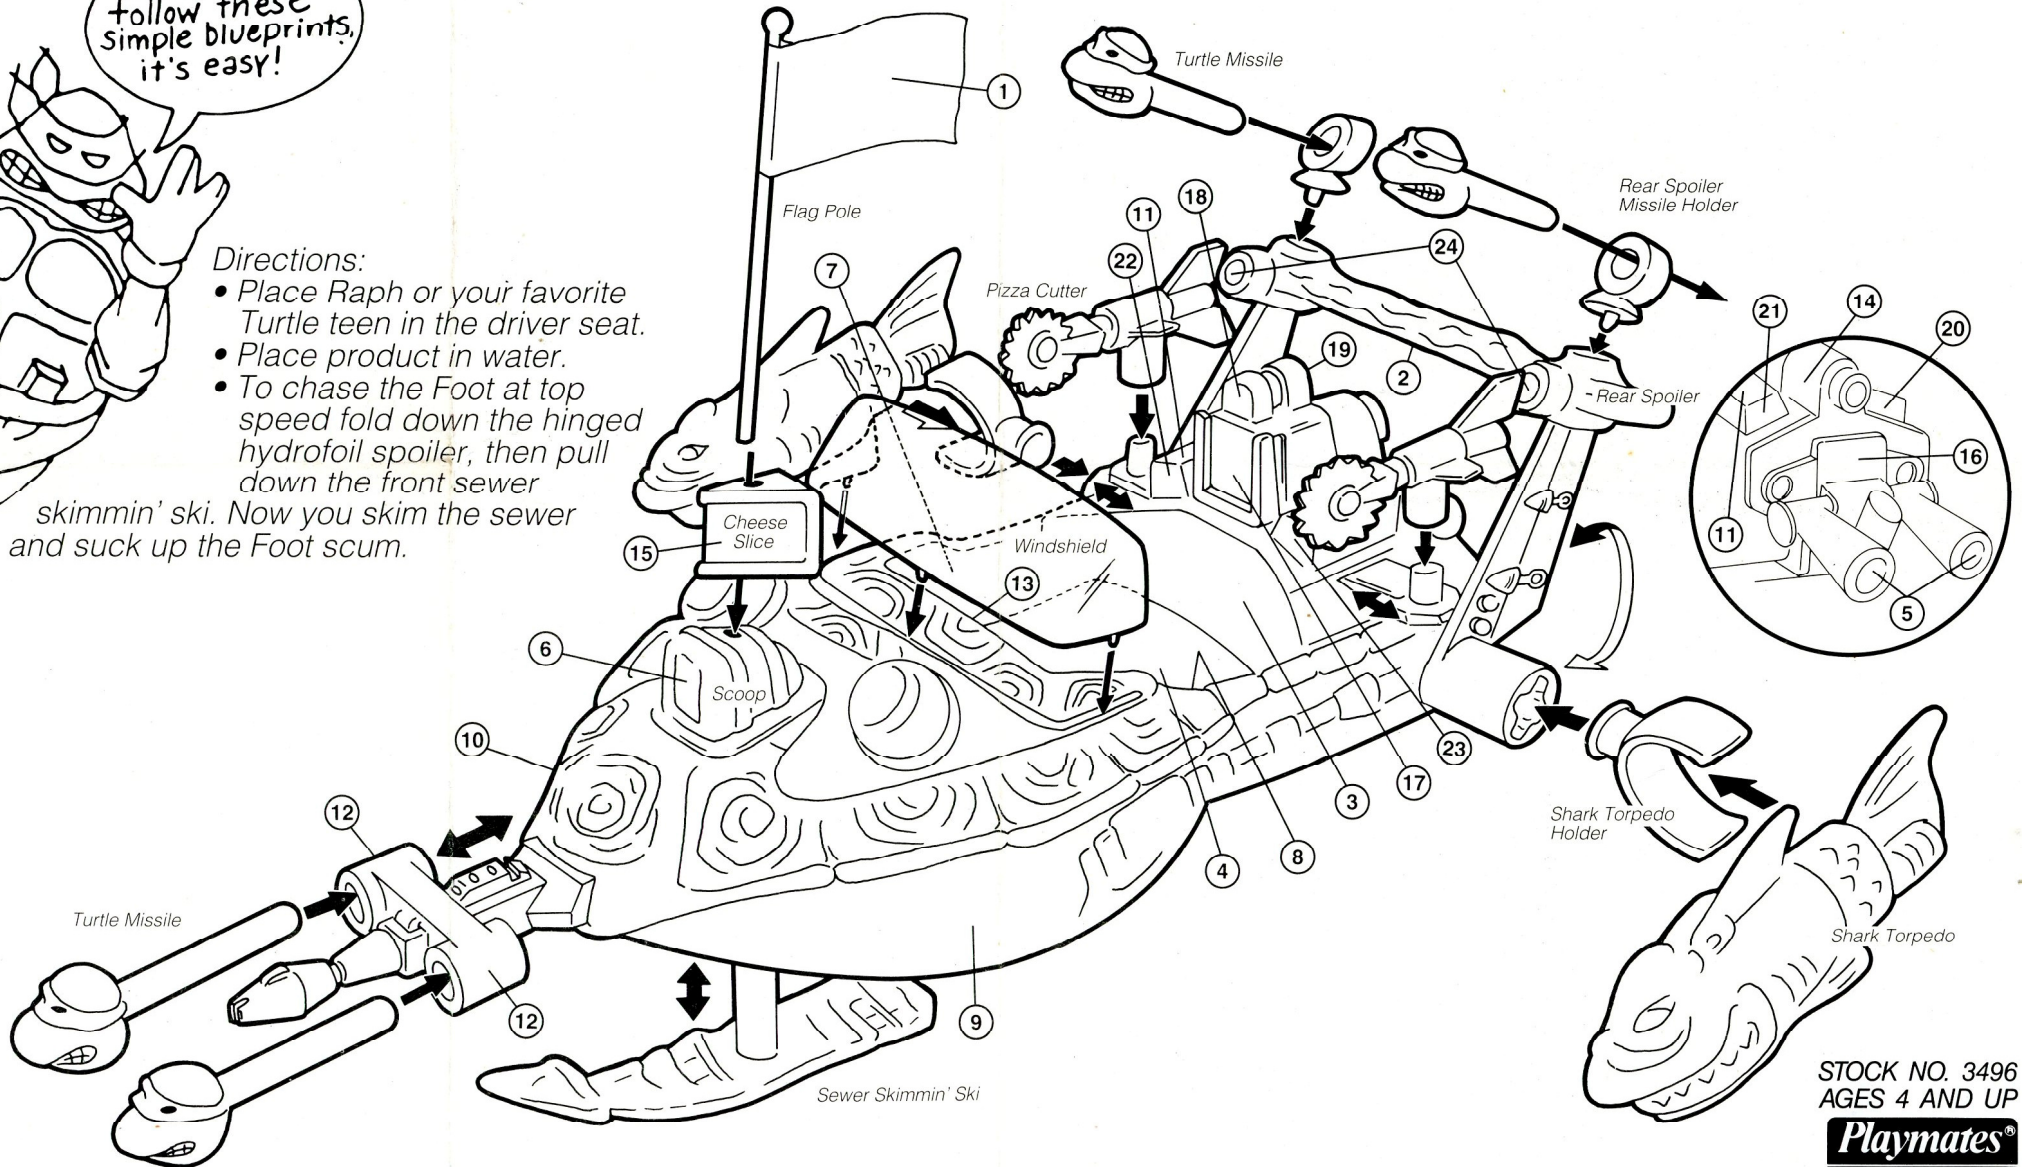

Directions:

- Place Raph or your favorite Turtle teen in the driver seat.
- Place product in water.
- To chase the Foot at top speed fold down the hinged hydrofoil spoiler, then pull down the front sewer

skimmin' ski. Now you skim the sewer and suck up the Foot scum.

- ### Assembly:
- Plug windshield into Turtle head hull as indicated.
 - Plug in the two Rear Spoiler Missile Holders.
 - Plug in the Shark Torpedo Holders as indicated.
 - Attach the two Shark Torpedos to the holders as indicated.

- Attach the two Pizza Cutter Missiles to the engine assembly as indicated.
- Slide the Flag Pole through the Cheese slice and plug into the Front Scoop as indicated.
- Load the 2 front and 2 rear Turtle Missiles as indicated.
- Place labels 1-24 as indicated.
